

Lourdes Public Charter School Newsletter

March 2019

Student Applications:

We are now accepting new student applications for the 2019-2020 school year. The deadline for the first round of applications is April 15th. Applications must include the child's name, grade, DOB, and both the physical and mailing address. Please be sure to let any interested families know. Please be sure to let Mrs. Duman know if you have any questions.

Pages:

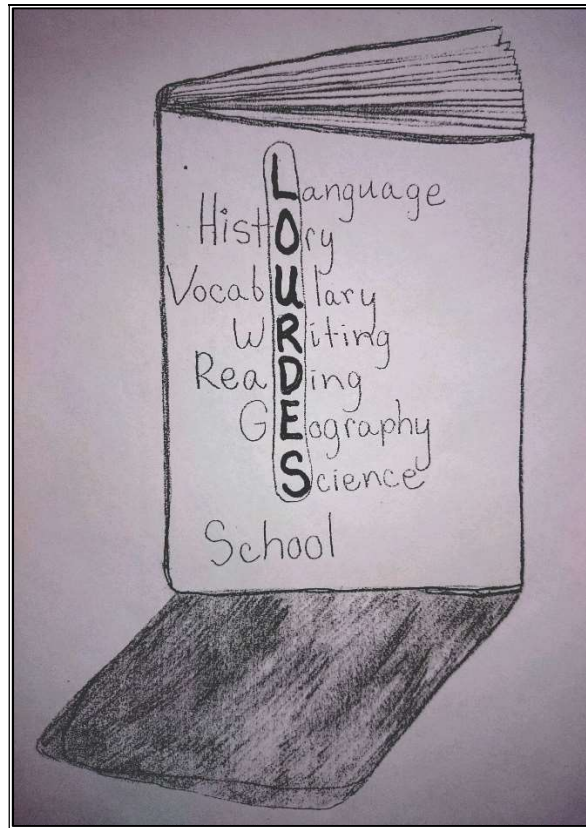

Every odd year the Oregon State Legislator is in session, and the 7/8th students receive an in depth tour of the capitol, meet their legislators, and serve as honorary pages during the house and senate sessions.

3rd Grade Swim Lessons:

The Stayton Kiwanis Club has paid for the 3rd graders to have swim lessons at the Stayton pool, March 4-7.

Warm Fuzzies:

For those of you looking to do some spring cleaning, the primary room is looking for gently used toys and household items for the children's warm fuzzy trade-in. They are also in need of a cassette player.

Math Facts:

Being able to quickly recall basic addition, subtraction, and multiplication facts are essential for success in mathematics. Please be sure to practice at home using oral drills, flash cards, games, etc.
